INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

William Worley being first duly sworn, deposes and says:

That I am 45 years of age and live in Loudon Co., Tenn. I claim my Indian blood on my mother's and father's side. My mother's father was 1/2 Cherokee Indian. My father was about 1/4. He claimed through his mother. I suppose the rest of my ancestors were white. My grandmother's name on my father's side was Rosie Lovell and she married Silas Worley. My grandfather's name on my mother's side was Joshua Holkom. I don't know whether they ever had any Indian names or not. My grandfather on my mother's side has been dead 25 years. My grandfather Holkom was raised in Cherokee Co., N. C. My grandmother Lovell was born in Rabun Co. Ga. I can't tell you when she was married to Worley. It was married to Worley along about 1835. Neither my grandfather or grandmother were on any rolls that I know of. My grandfather was raised by an Indian in Cherokee Co., N. C. This Indian's name was Going or Goins. Don't know his first name. Father's brother was named Andy Worley, another Billy Worley - both dead. My father had two sisters, Lindy and Elizabeth. Lindy first married a man named Kern, and then she married a Wilburn. She was married after the war both times. Elizabeth married just after the war, a fellow by the name of Burton. Neither of my parents lived with the Indians, just my grandfather on my mother's side was raised by an Indian as above mentioned. His mother was an Indian woman. He was an old man when he died and has been dead 20 years. He moved about from time to time and I don't know whether he was living in N. C. in 1835. Don't know why he was never enrolled. If he was enrolled it would have been under the name of the Indian who raised him, Goins. I am recognized as a white man in the community in which I live. This is the only benefits I ever applied for by reason of my Indian blood. My mother's brothers were Tilmon, Sylvester and Reuben. My mother's sister was Manervio. They went by the name of Halkom. I don't know whether there are any witnesses who know anything more than I do, but my grandfather lived with us in Rabun Co., Ga. He was there in 1851. He looked like an Indian, had long coarse black hair.

My name is Maggie Miller, and I live in ~~Osceola~~ Manila, Ark. I am 40 years of age. I claim my Indian descent through my father and mother. I was born in Cherokee Indian blood through both my father and mother. I was born in Atlanta Ga. My mother, Sarah Miller, was born and raised in Atlanta. She was about 40 years old at the time of her death. My mother got her Indian blood through her father, Joseph Kennett. I have heard my mother say that my grandfather, was 1/2 Indian. I never heard that any of my ancestors ever got any money from the Government on account of their Indian blood. James A. E. East, 71 years of age, who lives at Lake City, has told me that he has heard my mother say that she was part Cherokee Indian. My father's name was William Miller, and he has been dead about 7 years. He died in Mo. aged 54 years. He left Ga. when I was a child, and I never remember him saying anything about his Indian blood. From what my mother has told me he must have been a 1/4 Indian.

COURT OF CLAIMS
EASTERN CHEROKEES.

Rec. AUG 29 1908

36063

36063

Manila, Ark. August 26", 1908.

On this the 26" day of August, 1908, comes Maggie Miller who being duly sworn by me, a Notary Public in and for Mississippi County, Arkansas, duly commissioned and acting, upon oath states as follows:

My grandparents on my father's side were named John Big Knife (the only name I ever heard for him) and Mary Miller- These were my grandfather and grandmother respectively, on my father's side.

My grand parents on my mother's side were named William Bice (this may not be spelled correctly) Patsy Bice. Her name before her marriage was Patsy Kennett. My great grand parents on my mother's side were named Kennett, the people after whom the town of Kennett, Mo. was named.

None of my parents, grand parents or great grand parents were ever enrolled either in 1835 or 1851 that I ever heard anything about. The reason they were not enrolled, as I suppose, was because they knew nothing of the enrollment at either of these times. None of them could read or write and nearly all of them were living far away from any railroad or post office and their means of gaining any knowledge of these enrollments were very limited.

I claim Indian descent through both my father and mother and have always been taught so. None of my grandparents ever received any Old Settlers payment.

I have never been enrolled by the Dawes Commission.

Neither of my parents nor any of my ancestors were ever held as slaves that I ever heard anything about.

"Big Knife" my grandfather on my father's side lived with the Cherokee Indians in Mississippi County, Arkansas, and was in camp with them constantly in Mississippi County, Ark. and near Kennett, Mo. I do not know whether any of my other ancestors were ever living with the Indians or not, nor do I know what part, if any, they took in the Tribal Councils.

Dona Posey,

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Through which of your parents do you claim Indian descent? Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, also what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your mother? Was your father or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Where were your grandparents living in 1835 and 1851?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Dear Sir:-

Replying to your favor of June 1st, App.

No. 36082.

My grandmother was raised an orphan girl; Nancy Cragmille was her name. She was the daughter or supposed to be of John Cragmille second. On my mother's side Johnnie Macke, William Macke, John Macke and Miss Nancy Macke. Nancy Macke, later Nancy Humphrey, who was my mother; Dora Macke, Mollie Macke, Annie Macke were grand-daughters. I was not enrolled by Dawes Commission. My mother's application was filed but I don't know where, several years ago. I never received nor do I know that either of my parents received any payments. I am white and 64 years old and claim 1/4 Cherokee by blood.

John Agoock at Rome, Ga. or Atlanta, Ga. was acquainted with them, also one Malcolm. I was only 10 years old when I moved from that country. My mother made application before a Notary Public in my presence and stated her mother or grandmother was a full blood Cherokee, I don't remember which. The application she made is on file somewhere. I delivered it to John L. Springston, Fort Smith, Ark. and he stated he placed on file. I righteously claim right in Cherokee Nation.

Your letter of the 10th rec'd. I have no idea what you are trying to get, but will give you all the items I know. About 1808, while John William M. Mack was trading with the Cherokee tribe in one of the Carolinas, he stole an Indian girl of the Cherokee Nation or Tribe and married her, taking her into Georgia where he settled at Social Circle (I think this office has another name now) He lived at that place till his death - at the age of 96. His Indian wife died at the age of 84 - a few years before he died.

Aunt Nancy and uncle John both made affidavit before Justice of Peace that their mother was a Cherokee Indian. Before my father's second and third marriages he told the women he was about to marry that he was half Indian. That is all I know.

It is only tradition ***** their name was Gregoire or Craignire. So Your mother told us .

You will see from the dates that he - grandfather, lived with his Indian wife many years before the Tribe was moved to the Territory.

My mother had brothers John, William and Daniel - all dead. Isaac is another and he is living. My grandmother Mack had no brothers and sisters. My grandmother Mack was driven from Miss. to Ga. Her parents died and she was given to an old Catholic woman and raised in Norfolk. My grandmother Mack and her mother were driven to Ga. with the Indians at the time of one of the early treaties but I don't know when. June 1, 1908.

Ellen Fowler,
Emerson, Ga.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Give the county and state where your parents and grandparents were living in 1835 and 1851.

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

I claim relationship to the Cherokee Indians through my mother, Edie Bailey, and she claims through her mother, Litha Sizemore, and she claims through Henry Sizemore. We have always been told that Henry Sizemore came from North Carolina and we were always told that he was a full-blood Cherokee Indian. My mother was born in Gwinnett Co., Ga. about 1826 and her mother, Litha Sizemore, was born in North Carolina. I have often heard my mother say that they would visit the Sizemores and that the whole family was recognized by the Indians as Cherokee Indians. My mother has often told us about our grandfather, Henry Sizemore, and said that he was a real Indian and lived among the Indian tribe. My brother, James H. Puckett, is also a claimant, No. 41691 - (35825).

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Through which of your parents do you claim Indian descent?

Where were your grandparents living in 1835 and 1851?

Give the names of those ancestors who ever lived with any tribe of Indians, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Angeline Eaton, being first duly sworn and examined,
deposes and says:

My name is Angeline Eaton: I was born in Jefferson Co., Ala. 1852: I claim Indian blood through my father: I make no claim of Indian blood through my mother: my father got his Indian blood through his father: I never saw my grandfather through whom I claim: I was about nine or ten years old when my father died: my father was born in Haywood Co., N. C. about 1800: I do not know exactly where my grandfather was born: I do not know whether my father lived with the Indians as a member of the tribe or not, but he lived among them in N. C. ; in 1835 I think my father lived in Ala., but I do not know what county: in 1851 my father lived in Jefferson Co., Ala.: I do not know whether any of my people were ever enrolled or not: none of the ancestors through whom I claim were ever held as slaves: none of my people ever went West with the Indians that I know of: I do not know of any of my people ever having an Indian name: both I and the ancestors through whom I claim were always regarded as white people with an admixture of Cherokee Indian blood: I have heard that my grandfather's mother, Betsey Sawyer, was a full blood Cherokee.

James H. Martin being first duly sworn, deposes and says:

That I am 40 years of age. I claim my Indian descent through my father; my mother is a full blooded white woman and my wife is a white woman. My father claimed his Indian descent through his father, Taylor Martin. My father was born in Miss., but was raised in Tenn., Miss. and Ark. He came from Hardin Co., Tenn. to Texas in 1851. He is still living at Komo, Texas, Route #1. He is about 77 years of age. He has not filed application, because he don't much think there is any Indian blood in him. He didn't want to do anything with a claim. Taylor Martin came from N. C., but I don't know what county. He died about 35 years ago, I think. He died since my father came to Texas, in Tennessee (Hardin Co.) as well as I remember. My father nor his father never lived with the Indians as a member of the tribe that I know of. My father is recognized as a white man in the community. He is rather dark but very few people know that he has Indian blood. I have a niece named Millie Smith, Komo, Tex. - R #1, and she made application at the time that I did. Mollie Padlock, Mounds, Okla. is my sister, and she is the mother of Millie Smith. ~~xxxxxx~~ I have heard that my father's name is on the roll - the Watts roll. Out-roll. Samuel, Hamilton, Finsley were brother of my father. Milbry Campbell and Mrs. Henry are sisters of my father. My brothers and sisters have married white people.

*Shows some indication of Indian blood

Dear Sir:-

Honorable John H. Stephens,
House of Representatives,
Washington, D. C.

Sir:

Your letter of March 21, 1908, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

You inclose a letter from Mr. James M. Williams, of Chillicothe, Texas, relative to his wife's application for participation in the Eastern Cherokee fund. You are advised that this application has not been reached for final adjudication and we cannot state at the present time whether she is entitled to share in this fund.

You are further advised that we cannot state, at the present time, when this fund will be distributed. It will first be necessary to have a complete enrollment of all those entitled to share in the fund, and to have this enrollment approved by the Court of Claims. Until this is done no money can be distributed.

There are more than 44,000 applications filed in this office, by claimants residing in all parts of the United States, and these applications will have to be examined, grouped in families, and in many instances testimony will have to

#2--J. H. S.

be taken in the field before a decision can be reached as to the merits of the claim. This will necessarily take considerable time.

An abstract of the decrees of the Court of Claims in favor of the Eastern Cherokees is inclosed, herewith, for your further information.

When Mrs. William's application is reached for final consideration she will be notified if there is any further information required in connection with her claim.

Mr. William's letter is returned, herewith.

Special Commissioner.

Samuel E. Smith,

Dell, Arkansas.

Sir:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly all your reasons for thinking that you are entitled to share in this fund, and the name of the ancestor through whom you claim, and where that ancestor was living in 1835 and 1851?

Give any other information obtainable tending to establish your claim.

An early reply will be appreciated.

Dear Sir;

In reply to your letter of the 14th of May, I will say I do not really know why my parents were not enrolled. My father was considered as having 1/4 Indian blood. My mother was a white woman... I do not know whether any of my ancestors were parties to the treaties of 1835-6 & 1846 or not. They might have been.

My father was, as I stated, considered to have 1/4 Indian blood. My brother and I show very clearly that we are of that descent ... Our claim is through our father... He was I think living in Tennessee in 1835 and in Arkansas in 1851. He died when I was but a small lad. We feel that we are entitled to participation in the allotment to the Cherokees... Our physical appearance shows our blood. Hoping that this is satisfactory, I am

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name and those of your parents and other ancestors who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Where were your grandparents and great grandparents living in 1835 and 1851? Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did you or any of your ancestors ever receive any Old Settler money? If so, state when and where. Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Sir:

Answering your favor of June 2, 1908 relative to my application #36142 for participation in eastern Cherokee fund I respectfully state that I believe that the names of my parents and ancestors living in 1835 + 1851 are on the Cherokee roll at Talequah or ought to be and I enclose you herewith the letter of Dr W E Dawson my ^{first} cousin who knows more about it than I do

In 1835 my great grandparents were dead and my grand parents were living in La Fayette Co Mo near Lexington In 1851 my grand parents were all dead neither one or any of my ancestors were ever held as slaves.

I never received any old settled money but I do not know whether my ancestors did or not.

I have not been enrolled by Dawes Commission on account of the neglect of my attorney to present my application in time.

My ancestor Polly Rogers was a full blood Cherokee indian and I suppose she and her husband Col. Samuel Dawson

Dear Sir:—

Replying to your favor of June 2nd., wish to refer you to letter sent you June 22d. relative to claim #36142 which answers most of these questions.

I have never received any old settlers money, or do not know of any being recd., by any of my ancestors. I have not been enrolled by the Dawes Commission, on account of neglect by my Attorney at Vinita, to whom I sent in my application several years ago.

My Ancestor was Polly Rogers, a full blood Cherokee Indian, She and her husband Col. Saml. Dawson formelly lived with the Cherokee tribe in Virginia, but do not know what part they took in the tribal councils. Proofs of my ancestors was furnished by my second Cousin, Dr. W. E. Dawson several years ago, and said proofs were duly recorded at Talequah, I.T. and hope you will be able to trace the claim of myself and Son Harry E. Heckart, which was sent in with my application, and await your further instructions, and beg leave to remain,

Yours very Truly,

Rec. JUN 19 1908
No. 36117.

App. No. 36147.

State of Missouri County of Douglas, ss:

On this 13th day of June 1908 personally appeared before me, a justice of the peace in and for the county and state aforesaid, Missouri A Fleetwood, Claimant, who being duly sworn states upon oath that, according to her best knowledge and recollection of her family history, the reason her name and the name of her maternal ancestors through whom she claims was not on the Cherokee rolls of 1835 and 1851 is that her maternal grandfather in his early youth had wandered away from his tribe in Georgia and grew up among the white people in Tennessee. As to why the names of his brothers are not on said roll she does not know. That the name was pronounced as though spelled "Blue" but whether that is the correct spelling she does not know. That she claims no Indian descent whatever through her father. That her maternal grandfather was named Neal Blue, That she does not remember her grandmother's maiden name. That so far as she knows none of her ancestors were ever held as slaves. That in 1835 her grandparents were living in Miller county Missouri, having moved there from Tennessee. That she, nor none of her ancestors so far as she knows ever received any Old Settler payment. That her ancestors, except as above stated, lived with the Cherokee tribe of Indians, That she does not remember their names and can not tell how long they lived with the tribe but thinks some of them never did leave and that some of their descendants are still

(2)

living with the Cherokees in Oklahoma. That the Cherokees lived in Georgia prior to going to the Indian Territory but she does not know the name of the county nor what part if any that her ancestors took in their tribal councils. That the reason she can not make this statement any more definite is that she has no written family record or history and answers only from recollection of what her parents told her of their former lives. That her post office address is Squires Douglas county Missouri.

T. Chambers being first duly sworn in behalf of Mary D. Coble, Bluford W. Starr and Hulbert Bean, deposes and says:

I am 54 years of age. Nanoy Jane Chambers is my mother. She is living at the present time. She is 78 years of age. She was born in the Cherokee Nation ~~East~~ West. She was an Old Settler. She is a sister to Bluford W. Starr. He is dead. I think my mother was the older. Bluford was also born in this country. Thomas and Nanoy Starr were my grandparents. They came West before my mother was born. Ellis Starr was my mother's brother. He was born in this country and is dead at this time. I don't know whether Hulbert Bean was the son of Ellis Starr or not. My family regards him to be relation only on the Bean side. Nancy Bean was some relation to my mother but I am not sure what the connection was. I don't know whether Nancy Bean was regarded as an Old Settler or not. I don't think any of these people ever associated with any other tribe of Indians. I do not know Nancy Bean personally; have heard of her. I don't know Jane Bean either. Have met Hulbert Bean. I have been told that he was the son of Ellis Starr but I don't know this to be true. Bluford W. Starr's mother was Margaret Mc Daniel. I did not know her. I did not know James and Jennie Mc Daniel.

Kindly acknowledge receipt of these claims, in the usual and proper way, place same on file, and advise me so soon as any other or further step is necessary on the part of these applicants.

R. H. CROCKETT
LAW OFFICE
FRANKLIN, TENN.

All of the applicants whom I represent are descendants of Mrs. Nancy Jane Sayers. Before her marriage to Abner Sayers (a caucasian) she was Nancy Jane Scales, a daughter of Mary Coody and Nicholas D.Scales.

Mary Coody was a Cherokee, and I am informed was a sister(I dont know whether of the whole or the half blood) of John Ross, the Cherokee Cheif. I am informed that the name of Mary Coody Scales, and of her daughter Nancy J.Scales, who married Abner Sayers, appears on the enrollment in 1851 . This was not known to applicants, as a fact, when the applications were made, and hence no statement of this kind is made therein,--but recently they have been informed that the records do show such enrollment . If disclosures found in the enrollment require any amendment of the applications, kindly advise me .
Of course statement made by applicants of matter beyond the period of personal recollection are made upon hearsay and reputation . I shall stand ready and be glad to furnish further proofs of claimants rights, when called on .
In this connection permit me to say here that William T.Sayers, a brother of the older applicants, and uncle of those herein enclosed, being a son of Abner and Nancy J.Sayers, went to the Indian Territory many years ago, and there received his allotment of lands. His relationship to the applicants appears from the several applications . I scarcely know the line of proof necessary, and will be glad to have you indicate what character of proof is desired .

Very truly etc.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

36166

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. #36166.

March 2, 1910.

Thomas J. Jordan,
c/o Fred Catchpole, Cashier,
The Citizens Bank,
Pagosa Springs, Colo.

Sir:

Replying to your letter of February 20, 1910, you are advised that it will not be necessary for you to return to Oklahoma in order to receive your share of the Eastern Cherokee Fund, as the amount due you and your minor children will be forwarded to some bank in your vicinity, with instructions to deliver to you upon proper identification.

It is impossible at this time to say just when the Eastern Cherokee payment will be made. The Court has now under consideration all the exceptions to my report and will probably at an early date enter an order determining whether any further testimony shall be taken and names added to the roll. If they should find that no further testimony is required, they will enter an order finally determining the roll of those entitled to share in the fund. After that possibly sixty days will be required for the Treasury Department to adjust the matter for payment.

Very respectfully,

Special Commissioner.

Dear Sir

Your notice recd am sorry
you saw fit to reject Claim
No. 36126, it is impossiable for
us to get name of ancestor
as you want the father of applicant
was living along about 1851, all
of those people who knew any
thing about this case are dead
now these Greens all came
from South Carolina to Ala.
from what I can learn both
names was Green I dont believe
I understand your notice why
dont Mr. Cagle attend to the law

So I leave it all with you.
Yours Respectfully
B. E. Brassell

Part of this case, there is a
cousin in the nation some where
of the father of applicants who
got his claim there by the name
of Pink Green how is it that
he got his claim ^{and} these applicants
fail, it is the same evidence in
both cases it was generally known
in Ala. where they lived that they
was of Indian decent Mr Miller
I am not able to hire a lawyer
to attend to his case if I knew
where Pink Green was or
might get some more evidence
but I don't know where he is
So I guess we will have to let
it go but if being of Indian
decent would entitle them to claim
they ought to have theirs. Stop
